

INCREASING THE NUMBER OF ABORIGINAL WOMEN PARTICIPATING IN THE BUILDING, MINING, CIVIL & CONSTRUCTION INDUSTRY

Our goal is to increase the number of women, particularly Aboriginal women, participating in the South Australian Building, Mining, Civil & Construction industry.

Females remain significantly underrepresented within our industry, and moreso for Aboriginal women. Providing sustainable mechanisms to enhance womens' participation benefits the South Australian economy, industry and Aboriginal households – with positive generational flow-on effects.

PROVIDING THE FOLLOWING SERVICES

Gold Services offers a comprehensive range of services tailored to meet the unique needs of our clients, including:

LABOUR HIRE

Labour Hire specialising in the supply of skilled women to the SA Building, Mining, Civil & Construction industry.

CULTURALLY INCLUSIVE MENTORING

Intensive culturally inclusive mentoring delivered by women for women.

TRAINING

Skill audits and skill gap training.

SCHOOL2WORK

Aboriginal Women's School2Work Program.

Gold Services is proud to announce our Corporate Partnership with the South Australian Aboriginal Building Civil and Construction Academy. Collectively, our partnership will bring to the forefront greater opportunities for Aboriginal women in the industry.
